Happy Winter From Pallet Chief!

Happy Winter!! If I am freezing in Alabama, I can only imagine how cold it is in your "neck of the woods". Spring is on the horizon and it will soon be "SOD" season! We are excited to announce special savings on our popular and greatest Return-On-Investment SOD/SKID nailing machine! We are offering Five "Everwin" PALN70 nail guns, free of charge, if ordered before Feb. 29th, 2024 - a \$2000 Value!

If you have a deal with your nail supplier and don't need to take advantage of the above mentioned offer then I will offset your purchase price by 2.5%. Below is a link for you to view the machine's capabilities. Every machine we manufacture is built to the customer's specific needs and sizes. Contact us for any questions or request an official quote.
