Extended PC II Special

Pallet Chief Manufacturing

Greetings,

Here, at Pallet Chief, we are aware of the uncertainty of today's market and are extending our PC II special until the end of the summer, August 31st. These are the specifics of the offer:

- 2 PC IIs with Standard Stacker 4848 or 6060 models will get a 20% discount.
- 2 PC IIs with Deluxe Stacker 4848 or 6060 models will get a 30% discount.

This discount is only available for multi PC II orders and deposits have to be posted by August 31st.

Many of you are interested in our Automated models, such as the PC III, the PC IV, or the Skid machine, to name a few. If this applies to you, I am willing to offer you a 10% savings on these models.

Basically, we are wanting to do our part in helping you invest in your business by providing you with the most efficient way to maximize your productivity. Not only are our machines easy to operate and easy to maintain, but they more often than not pay for themselves within the first year of operation.

NOW IS THE TIME TO ACT. DON'T LOSE VALUE IN WAITING!

Kim, Burl, or I will be happy to assist you in your order or answer any questions.

Please get in touch with Kim by phone at 256-245-0417 or by email at Kim@palletchief.com or sales@palletchief.com, or contact me at the contact information below for more information.

Remember, we have an excellent financial advisor in Chris PFriem with American Bank (ACG) partners with us to provide excellent financial services. They also offer 3 to 6 month deferred payment options to those that qualify. Chris and his team have helped hundreds of our clients secure affordable financing and terms. He can be reached at CPfriem@americanbank.com or 440-579-0404. Please feel free to contact him at any time during your decision-making process.

I look forward to giving you more industry “nuggets” next month.

Vern Ogle
